A non-exclusive easement is also reserved unto the Developer and granted to all applicable governmental entities over and across the Common Elements for the purpose of providing drainage and for the installation, operation, use and maintenance of drainage facilities; provided, however, that the Association shall be responsible for the continuous maintenance of the easements and rights-of-way of the drainage system located on any and all portions of the Condominium Property.

Until such time as the Developer completes and no longer offers condominium parcels for sale or lease in the ordinary course of business, the Developer reserves the right to prohibit access to any portion of the Common Elements of the Condominium Property or uncompleted Units to any of the Occupants of the Condominium, and to utilize various portions of the Common Elements or the Units in connection with such construction and development. No Unit Owner or such Owner's guests or invitees shall in any way interfere or hamper the Developer, its employees, successors or assigns, in connection with such construction. (a) Developer hereby reserves unto itself and its successors and its assigns, and grants to the Association with the power to assign, non-exclusive easements over, under and through the Condominium Property for the construction, maintenance and operation of electric, gas or other utility, cable television, security systems, communications, service or other easements pertaining to the construction, maintenance and operation of other equipment, conduits, pipes, lines and similar installations servicing the Condominium Property or other property with the power to relocate any such existing easements in any portion of the Condominium Property and/or Association Property, provided that such easements or the relocation of easements will not prevent or unreasonably interfere with the reasonable use of the Units for residential purposes.

Furthermore, until the Developer no longer holds units for sale or lease in the ordinary course of business or when the unit owners have assumed control of the Association, whichever comes first, Developer shall have the right and license for itself, its agents, successors and assigns to use, lease or assign any space on the roofs of the Condominium buildings provided that such space is not already assigned as a Limited Common Element to a

Residential Unit to any Person(s) for the construction, installation, use, maintenance, repair, replacement, improvement, removal and operation of telecommunication equipment signage. Developer shall have a non-exclusive, and irrevocable easement over the roof areas to exercise its rights set forth above. Without limitation this easement shall include the right to construct, install, use, maintain, repair, replace, improve, remove and operate any type of telecommunication equipment and signage on the roofs of the Condominium buildings. In addition, Developer shall have a non-exclusive and irrevocable easement over other portions of the Condominium for access to and from such roof areas and to construct, install, use, maintain, repair, replace, improve, remove and operate any utility lines servicing such telecommunication equipment. Notwithstanding the above, the Developer shall install such utility lines and locations already used for such purposes or in which other utilities lines are located. Developer and the Association hereby agree to indemnify each other for any damage or destruction caused to the property of the other in the exercise of any easement right granted in this Declaration.

Notwithstanding the foregoing, all easements, reservation and rights retained by Developer in this Section 3.5(a) shall terminate and be cancelable by the association once Unit Owners other than the Developer have assumed control of the association or when the Developer no longer offers units for sale or lease in the ordinary course of business, whichever occurs first.

(b) Developer hereby reserves unto itself and its successors and its assigns, and grants to the Association with the power to assign, non-exclusive easements over, under, upon and through the Condominium Property for the purposes of access to, constructing or maintaining improvements upon, providing utility services to or across, or providing drainage to or from the Condominium Property, any other property which may become part of the Condominium Property pursuant to this Declaration, or any other property adjacent to the Condominium Property, provided that any such easement shall not interfere with the reasonable use of the Units for residential purposes.

(c) Developer hereby reserves unto itself and its successors and its assigns non-exclusive easements over, upon, and through the Condominium Property for vehicular and/or pedestrian traffic by the Developer, its designees, successors, assigns, licensees, lessees, invitees, and guests within the Condominium Property, provided that any such easement shall not interfere with the reasonable use of the Units for residential purposes.

(d) Developer hereby reserves the right to install all lines, pipes and facilities throughout the Condominium Property as may be needed for the use of the Units individually and/or collectively from time to time. Developer shall assume all costs associated with such installations. Subsequent to installation, unless otherwise provided and agreed to by the affected Unit Owner(s), the Association shall be responsible for the maintenance of such lines, pipes and facilities.

(e) For as long as the Developer remains liable under any warranty, whether statutory, expressed, or implied, for any act or omission in the development of the Building or in the sale or marketing thereof, the Developer shall have the right to enter on the Condominium Property, and to take all actions necessary or convenient for the purpose of inspecting, testing, surveying, to determine the actions needed to fulfill any warranty or to determine the extent of the warranty, and to take those actions necessary to fulfill the Developer's responsibilities under the warranty. The Developer can nullify any warranty if the Association or a Unit Owner prohibit or limit access to the Common Elements or to a Unit as deemed necessary by the Developer in its sole discretion for any actions pursuant to the warranty.

(f) Developer hereby reserves the right to assign all or a portion of its rights hereunder, or all or a portion of such rights in connection with specific portions of the Condominium. In the event of any partial assignment, the assignee shall not be deemed the Developer, but may exercise such rights of the Developer as are specifically assigned to it. Any such assignment may be made on a nonexclusive basis. The rights of Developer under this Declaration are independent of the Developer's rights to control the Board of Directors of the Association, and, accordingly, shall not be deemed waived, transferred or assigned to the Unit Owners, the Board or the Association upon the transfer of control of the Association. Any assignment of Developer rights shall be evidenced by an instrument recorded with the formalities of a deed in the public records of the County.

3.6 **Incidental Damage.** Any damage to any Unit caused by, or as a result of, the carrying out of the maintenance responsibilities of the Association or another Unit Owner, or the negligence thereof, shall be repaired promptly by the Association as a Common Expense, or the Unit Owner, as the case may be. Any damage to any part of the Common Elements caused by or the result of any intentional act of a Unit Owner, the Unit Owner's family, agents, contractors, invitees, licensees or tenants, or by such Unit Owner in carrying out his maintenance responsibilities, if any, shall be repaired promptly at the expense of such Unit Owner.

3.7 **Use of Multiple Units to Form One Comprehensive Residential Unit.** A Unit may be combined with either the Unit directly above the subject Unit and/or the Unit directly below the subject Unit and/or the laterally-adjacent Unit in order to permit occupancy of such areas as one comprehensive residential space or commercial space. Such a combination of Units shall be for purposes of occupancy and use only and shall not be deemed an amendment to this Declaration. Further, any such combination shall not be considered to be a material alteration of or modification to the configuration or size of a Unit. In all events, the subject Units shall in no manner be considered to become one Unit, but rather shall at all times remain and be considered to exist in the same manner as prior to the combination for purposes of Assessments, voting and all other matters as provided herein.

Any such combination of Units shall be required to comply with all applicable building, health, safety, and other applicable codes and laws as may be applicable. Additionally, no construction activities to effect such a combination shall be commenced without the prior written approval of the Board of Directors, which approval cannot be unreasonably withheld. The Board shall ensure that the combination of Units shall have no detrimental impact on the structural integrity of the Building or the usage of the other Units in the Building. The Board shall act in a reasonable and prudent manner in recognizing the rights of the Owner to combine such Units in the manner contemplated by this paragraph. The Developer shall be exempt from the approval provisions of this paragraph.

#### **Section 4: Restraint upon Separation and Partition of Common Elements**

The undivided share in the Common Elements and Common Surplus which is appurtenant to a Unit, and the exclusive right to use all appropriate appurtenant Limited Common Elements, shall not be separated from such Unit

and shall pass with the title to the Unit, whether or not separately described. The appurtenant share in the Common Elements and Common Surplus, and the exclusive right to use all Limited Common Elements appurtenant to a Unit, cannot be conveyed or encumbered, except together with such Unit. The respective shares in the Common Elements appurtenant to Units shall remain undivided, and no action for partition of the Common Elements, the Condominium Property, or any part thereof, shall be undertaken, except as provided herein with respect to termination of the Condominium.

**Section 5: Ownership of Common Elements and Common Surplus and  
Share of Common Expenses; Voting Rights**

5.1 Ownership Shares. The undivided share in the Common Elements and Common Surplus appurtenant to each Unit, as well as the undivided share of the Common Expenses to be paid with respect to each Unit, shall be computed on the following basis:

(a) The allocation of percentage shares in the Common Elements and Common Surplus, and the percentage share of the Common Expenses, appurtenant to each Unit is set forth in Exhibit "B" as attached hereto and made a part hereof by this reference. The allocation of percentage shares has been established by the Developer in the following manner:

(i) The approximate area of each Unit has been measured in square feet based upon the surface of the walls bounding the Unit.

(ii) The total of the Unit Area of all Units has been computed and is hereinafter referred to as the "Total Unit Area."

(iii) The Total Unit Area has been divided into the Unit Area of each Unit to determine the allocation of percentage shares for each Unit as set forth on Exhibit "D" to this Declaration.

(b) The foregoing methods of calculation were undertaken in order to establish a fair and equitable method of allocating sales values and assessment percentages to Units within the Condominium.

5.2 Voting. Each Unit Owner shall be a member of the Association. Each Unit shall be entitled to one vote to be cast by its Owner in accordance with the provisions of the By-Laws and Articles of Incorporation of the Association. The total number of votes shall at all times be equal to the number of Units submitted to the condominium form of ownership under this Declaration. Membership in the Association shall automatically terminate upon the termination of ownership of a Condominium Parcel, and the subsequent owner(s) taking title shall automatically become entitled to membership.

**Section 6: Amendments**

6.1 Amendment by Unit Owners. Except as otherwise provided in Section 6 herein below or elsewhere in this Declaration or the exhibits attached hereto, this Declaration (including the Condominium Plat) may be amended by affirmative vote of the Owners of 75% of all the Condominium Parcels at an Association meeting duly called for such purpose pursuant to the By-Laws; provided, however, that (1) no amendment to this Declaration shall be made which affects any of the rights and privileges provided to the Developer as defined herein without the written consent of such Developer, and (2) no amendment may change the configuration or size of a Unit without the written consent of the affected Unit Owner(s) and all record owners of liens, and (3) no amendment may change the configuration or size of any condominium Unit in any material fashion, unless the record Unit Owner(s) and all record owners of liens join in the execution of the amendment and unless at least a majority of the record owners of all other units approve the amendment.

6.2 Amendment by Developer.

(a) Amendment to Condominium Plans and Declaration. The Developer reserves the right to make whatever changes it may deem necessary in the Condominium Plat and this Declaration until such time as 51% of the Units have been conveyed to third parties not related to or affiliated with the Developer. The amendment reflecting such changes need only be executed by the Developer; provided, however, that no such amendment unilaterally approved by the Developer shall create timeshare estates, change the configuration or size of any Unit in any material fashion, materially alter or modify the appurtenances to any Unit, or change the proportion or percentage by which a Unit Owner shares the Common Expenses and owns the Common Surplus, unless such amendment is also approved by the record Owner of the affected Unit, all record owners of liens on such affected Unit, and at least a majority of the total voting interests of the Association.

(b) Special Amendment. Developer reserves the right and power to record a special amendment ("Special Amendment") to this Declaration at any time and from time to time which amends the Declaration and any provision therein (i) to comply with requirements of the FNMA, FHLMC, the Government National Mortgage Association, the Department of Housing and Urban Development, the Federal Housing Administration, the Veteran's Administration, or any other governmental agency or any other public, quasi-public or private entity which performs (or may in the future perform) functions similar to those currently performed by such entities; (ii) to induce any of such agencies or entities to make, purchase, sell, insure, guarantee or otherwise deal with first mortgages covering Units; and (iii) to bring this Declaration into compliance with applicable laws, ordinances or governmental regulations. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to the Developer to make or consent to a Special Amendment on behalf of each Unit Owner and the Association. Each deed, mortgage, trust deed, other evidence of obligation, or other instrument affecting a Unit and the acceptance thereof shall be deemed to be a grant and acknowledgement of, and a consent to the reservation of, the power of the Developer to make, execute and record Special Amendments. The right and power to make Special Amendments hereunder shall terminate on the turnover of the association to the Unit Owners other than the Developer.

(c) This Declaration and all exhibits hereto, where applicable, may be amended unilaterally by the Developer for the purposes set forth and pursuant to Section 718.110(5), Florida Statutes, to correct scrivener's errors.

6.3 Execution and Recording. An amendment, other than amendments made by the Developer alone pursuant to the Act or this Declaration, shall be evidenced by a certificate of the Association which shall include recording data identifying the Declaration and shall be executed with the same formalities required for the execution of a deed. Amendments by the Developer must be evidenced by a similar certificate executed by the Developer alone. An amendment of the Declaration is effective when the applicable certificate is properly recorded in the public records of the County.

6.4 Limitation. No amendment may be adopted which would eliminate, modify, prejudice, abridge or otherwise adversely affect any rights, benefits, privileges or priorities granted or reserved to the Developer without the consent of said Developer in each instance. The provisions of this paragraph may not be amended in any manner.

6.5 Procedure. No provision of this Declaration shall be revised or amended by reference to its title or number only. Proposals to amend existing provisions of this Declaration shall contain the full text of the provision to be amended, new words shall be inserted in the text underlined, and words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, rather, a notation must be inserted immediately preceding the proposed amendment in substantially the following language: "Substantial rewording of Section \_\_\_\_\_ of the Declaration. See provision \_\_\_\_\_ for present text." Nonmaterial errors or omissions in the amendment process shall not invalidate an otherwise properly promulgated amendment.

In addition to items to be maintained pursuant to Section 3.3 hereof, the Association shall manage, maintain, repair and replace, as part of the Common Expenses, all of the Common Elements as defined herein (except with respect to the Residential Limited Common Elements, as to which, anything herein to the contrary notwithstanding, all costs and expenses shall be paid solely by the Residential Unit Owners), including, but not limited to, the following:

The Association shall promulgate rules and regulations in accordance with the foregoing.

#### **Section 8: Additions, Alterations or Improvements by the Association**

Whenever, in the judgment of the Board of Directors, the Common Elements, or any part thereof, shall require capital additions, alterations or improvements (as distinguished from maintenance, repairs and replacements) costing in excess of \$50,000.00 in the aggregate in any calendar year, shall be considered material and substantial in nature, and the Association may proceed with such additions, alterations or improvements only if the making of such additions, alterations or improvements shall have been approved by the Owners of a majority of the Units represented at a meeting at which a quorum is attained. Any other such additions, alterations or improvements to such Common Elements, or any part thereof, costing in the aggregate \$50,000.00 or less in a calendar year may be made by the Board of Directors without approval of the Unit Owners. The cost and expense of any such additions, alterations or improvements to such Common Elements shall be as a "Capital Improvement Assessment" of the Unit Owners as provided in Section 13.2 hereof. For purposes of this Section 8, "aggregate in any calendar year" shall include the total debt incurred in that year, if such debt is incurred to perform the above-stated purposes, regardless of whether the repayment of any part of that debt is made beyond that year.

#### **Section 9: Additions, Alterations or Improvements by Unit Owner**

9.1 To the Common Elements. After the completion of the improvements included in the Common Elements which are set forth in this Declaration, or which are contemplated by the Developer in the completion of the development as set forth herein, there shall be no alterations or additions to the Common Elements (which by definition includes the Limited Common Elements), except as authorized by the Board of Directors and approved by not less than 75% of the total vote of the Unit Owners. In addition to the foregoing requirement, no alterations or additions may be made involuntarily to the Limited Common Elements of any particular Unit if such alteration or addition will adversely affect or prejudice the rights of such Unit Owner unless his consent first has been obtained. The cost of the foregoing shall be assessed as Common Expenses unless otherwise provided herein.

9.2 To the Units. Except as otherwise reserved by the Developer or detailed in Sections 3.4 or 18 herein, no Unit Owner shall make any alteration or improvement to such Owner's Unit except in accordance with this Section 9.2. A Unit Owner may make alterations and improvements to the interior of the Unit so long as such

alterations or improvements are not visible from the outside of the Unit or the Buildings, do not impair the structural integrity of the Unit or the Buildings, do not otherwise violate the terms of this Declaration, and are in compliance with all applicable building codes and laws. A Unit Owner may not expand, enlarge or relocate his Unit. Other alterations or improvements to a Unit which are not discussed in this Declaration may be made only if prior approval in writing is obtained from the Board or a committee designated by the Board and headed by an officer of the Association.

9.3 Indemnification by Unit Owner. A Unit Owner making or causing to be made any such additions, alterations or improvements to the Unit or the Limited Common Elements as contemplated herein agrees, and shall be deemed to have agreed, for such Owner, and such Owner's heirs, personal representatives, successors and assigns, as appropriate, to hold the Association and all other Unit Owners harmless from and to indemnify them for any liability or damage to the Condominium Property and expenses arising therefrom, and shall be solely responsible for the maintenance, repair and insurance thereof from and after that date of installation or construction thereof as may be required by the Association.

9.4 Power of Developer to Veto Certain Proposed Modifications. Notwithstanding any provision to the contrary, the Developer, having the intention in its development of the Condominium to maintain an uniform external appearance to the Buildings, shall have the power, until such time as the Developer no longer offers any Units for sale or lease in the ordinary course of business, to veto any proposed improvement as contemplated by this Section.

#### **Section 10: Additions, Alterations or Improvements by Developer or Commercial Unit Owners**

The restrictions of Section 9 hereof shall not apply to Developer-owned Units or Commercial Units. The Developer shall have the additional right, without the consent or approval of the Board of Directors or other Unit Owners, to make alterations, additions or improvements, structural and non-structural, interior and exterior, ordinary and extraordinary, in, to and upon any Unit owned by it, to the proposed or already constructed Unit located or to be located thereon, and Limited Common Elements appurtenant thereto. Such modifications shall include, without limitation: (i) the removal of walls, floors, ceilings and other structural portions of the Unit; (ii) changes to the layout or number of rooms in any Developer-owned Units; and (iii) changes to the size and/or number of Developer-owned Units by combining separate Developer-owned Units or otherwise. Any amendments to this Declaration or the Condominium Plat required by actions taken pursuant to this Section may be effected by the Developer alone without the consent of any other person; provided, however, if any such amendment shall change the configuration or size of any Unit in any material fashion, materially alter or modify the appurtenances to the Unit, or change the proportion or percentage by which the Unit Owner shares the Common Expenses and owns the Common Surplus, the execution of the amendment to the Declaration effecting such change must be joined in by the record owners of the Unit, all record owners of liens on the affected Unit, and at least seventy-five percent (75%) of the total voting interests in the Association. Without limiting the generality of Section 6.5 hereof, the provisions of this Section may not be added to, amended or deleted unless by, or with the prior written consent of, the Developer.

#### **Section 11: Operation of the Condominium by the Association; Powers and Duties**

11.1 Powers and Duties. The Association shall be the entity responsible for the operation of the Condominium. The powers and duties of the Association shall include those set forth in the By-Laws and Articles of Incorporation as amended from time to time. In addition, the Association shall have all the powers and duties set forth in the Act, as well as all powers and duties granted to or imposed upon it by this Declaration, including, without limitation:

(a) The irrevocable right to have access to any portion of each Unit and the Limited Common Elements appurtenant thereto from time to time during reasonable hours as may be necessary for the maintenance, repair or replacement of such portions thereof as required by this Declaration or the Act, for performing extermination services, or at any time and by force, if necessary, for making emergency repairs necessary to prevent damage to the Buildings, the Common Elements or to the Unit or any other Unit or Units.

(b) The power to make and collect Assessments and other related expenses authorized under the Act against Unit Owners, to lease, maintain, repair and replace the Common Elements, and to grant, modify or cancel easements pertaining to the Common Elements.

(c) The duty to maintain accounting records, according to good accounting practices, which shall be open to inspection by Unit Owners or their authorized representatives at reasonable times upon prior request.

(d) The power to contract for the management and maintenance of the Condominium Property and to authorize a duly licensed management agent (who may be an affiliate of the Developer) to assist the Association in carrying out its powers and duties by performing such functions as the submission of proposals, collection of Assessments, preparation of records, enforcement of rules and regulations, and perform the maintenance, repair and replacement required of the Association with such funds as shall be made available by the Association for such purposes. The Association also shall have the power to join with other condominium associations and entities in contracting for the maintenance and repair of the properties of such other condominiums and other type properties, and may contract for or may join with other condominium associations in contracting for the management of the properties of such other condominiums and other type properties, as may be more specifically provided for by the Articles of Incorporation and By-Laws of the Association.

(e) The power to borrow money, execute promissory notes and other evidences of indebtedness and to give as security therefor mortgages and security interests in property owned by the Association, if any. Such actions must be approved by a majority of the Board of Directors and a majority of the Owners of all the Units or by such greater percentage of the Board or Unit Owners as may be specified in the By-Laws with respect to certain borrowing, and no such action shall be permitted while the Developer owns any Unit without the prior written consent of the Developer.

(f) The power to adopt and amend rules and regulations concerning the details of the operation and use of the Condominium Property.

(g) The power to acquire, lease, mortgage and convey real and personal property and to grant, modify and cancel easements regarding such property, provided that such action may be done only (i) upon the approval of a majority of the Board of Directors and (ii) a finding by the Board that such action is for the benefit of the members of the Association. The requirements of Section 8 pertaining to the Unit Owners' approval of costs in excess of the threshold amount stated therein (including the proviso as to the debt incurred) shall also apply to this acquisition and dealing with Association-owned property; provided, however, that the acquisition of a Unit as a result of a foreclosure of the lien for Assessments shall be exempt from these requirements.

(h) The power to acquire or enter into agreements acquiring leaseholds, memberships or other possessory or use interests in lands or facilities for recreational purposes as long as such arrangements are also approved by the Owners of a majority of the Units.

(i) All of the powers which a corporation not-for-profit in the State of Florida may exercise pursuant to this Declaration, the Articles of Incorporation and By-Laws, Chapter 617, Florida Statutes, and the Act, in all cases except as expressly limited or restricted in the Act or the documents of the Condominium.

11.2 Conflict. In the event of conflict among the powers and duties of the Association or the terms and provisions of this Declaration or the exhibits attached hereto, this Declaration shall take precedence over the Articles of Incorporation, By-Laws and applicable rules and regulations; the Articles of Incorporation shall take precedence over the By-Laws and applicable rules and regulations; and the By-Laws shall take precedence over applicable rules and regulations, all as amended from time to time. Notwithstanding anything in this Declaration or its exhibits to the contrary, the Association shall at all times be the entity having ultimate authority over the Condominium, consistent with the Act.

11.3 Limitation of Liability of Association. Notwithstanding the duty of the Association to maintain and repair parts of the Condominium Property, the Association shall not be liable to Unit Owners for injury or damage, other than for the cost of maintenance and repair, caused by any latent condition of the Condominium Property. Further, the Association shall not be liable for any such injury or damage caused by defects in design or workmanship or any other reason connected with any additions, alterations or improvements done by or on behalf of any Unit Owners, regardless if whether or not same shall have been approved by the Association pursuant to the provisions hereof.

**NOTWITHSTANDING ANYTHING CONTAINED HEREIN OR IN THE ARTICLES OF INCORPORATION, BY-LAWS, ANY RULES OR REGULATIONS OF THE ASSOCIATION OR ANY OTHER DOCUMENT GOVERNING OR BINDING THE ASSOCIATION (COLLECTIVELY, THE "ASSOCIATION DOCUMENTS"), THE ASSOCIATION SHALL NOT BE LIABLE OR RESPONSIBLE FOR, OR IN ANY MANNER BE A GUARANTOR OR INSURER OF, THE HEALTH, SAFETY OR WELFARE OF ANY OWNER, OCCUPANT OR USER OF ANY PORTION OF THE CONDOMINIUM PROPERTY, INCLUDING, WITHOUT LIMITATION, RESIDENTS AND THEIR FAMILIES, GUESTS, INVITEES, AGENTS, SERVANTS, CONTRACTORS OR SUBCONTRACTORS OR FOR ANY PROPERTY OF ANY SUCH PERSONS. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING:**

(a) IT IS THE EXPRESS INTENT OF THE ASSOCIATION DOCUMENTS THAT THE VARIOUS PROVISIONS THEREOF WHICH ARE ENFORCEABLE BY THE ASSOCIATION AND WHICH GOVERN OR REGULATE THE USES OF THE CONDOMINIUM PROPERTY HAVE BEEN WRITTEN, AND ARE TO BE INTERPRETED AND ENFORCED, FOR THE SOLE PURPOSE OF ENHANCING AND MAINTAINING THE ENJOYMENT OF THE CONDOMINIUM PROPERTY AND THE VALUE THEREOF;

(b) THE ASSOCIATION IS NOT EMPOWERED, AND HAS NOT BEEN CREATED, TO ACT AS AN ENTITY WHICH ENFORCES OR ENSURES THE COMPLIANCE WITH THE LAWS OF THE UNITED STATES, STATE OF FLORIDA, DUVAL COUNTY, CITY OF JACKSONVILLE OR ANY OTHER JURISDICTION OR THE PREVENTION OF TORTIOUS ACTIVITIES; AND

(c) ANY PROVISIONS OF THE ASSOCIATION DOCUMENTS SETTING FORTH THE USES OF ASSESSMENTS WHICH RELATE TO HEALTH, SAFETY AND/OR WELFARE SHALL BE INTERPRETED AND APPLIED ONLY AS LIMITATIONS ON THE USES OF ASSESSMENT FUNDS AND NOT AS CREATING A DUTY OF THE ASSOCIATION TO PROTECT OR FURTHER THE HEALTH, SAFETY OR WELFARE OF ANY PERSON(S), EVEN IF ASSESSMENT FUNDS ARE CHOSEN TO BE USED FOR ANY SUCH REASON.

EACH UNIT OWNER (BY VIRTUE OF HIS ACCEPTANCE OF TITLE TO HIS UNIT) AND EACH OTHER PERSON HAVING AN INTEREST IN OR LIEN UPON, OR MAKING ANY USE OF, ANY PORTION OF THE CONDOMINIUM PROPERTY (BY VIRTUE OF ACCEPTING SUCH INTEREST OR LIEN OR MAKING SUCH USES) SHALL BE BOUND BY THIS PROVISION AND SHALL BE DEEMED TO HAVE AUTOMATICALLY WAIVED ANY AND ALL RIGHTS, CLAIMS, DEMANDS AND CAUSES OF ACTION AGAINST THE ASSOCIATION ARISING FROM OR CONNECTED WITH ANY MATTER FOR WHICH THE LIABILITY OF THE ASSOCIATION HAS BEEN DISCLAIMED IN THIS PROVISION.

AS USED IN THIS SECTION, "ASSOCIATION" SHALL INCLUDE WITHIN ITS MEANING ALL OF THE ASSOCIATION'S DIRECTORS, OFFICERS, COMMITTEE AND BOARD MEMBERS, EMPLOYEES, AGENTS, CONTRACTORS (INCLUDING MANAGEMENT COMPANIES), SUBCONTRACTORS, SUCCESSORS AND ASSIGNS. THE PROVISIONS OF THIS ARTICLE SHALL ALSO INURE TO THE BENEFIT OF THE DEVELOPER AND ITS AFFILIATES, WHICH SHALL BE FULLY PROTECTED HEREBY.

11.4 Restraint Upon Assignment of Shares in Assets. The share of a Unit Owner in the funds and assets of the Association cannot be assigned, hypothecated or transferred in any manner except as an appurtenance to such Owner's Unit.

11.5 Approval or Disapproval of Matters. Whenever the decision of a Unit Owner is required upon any matter, whether or not the subject of an Association meeting, that decision shall be expressed by the same person who would cast the vote for that Unit if at an Association meeting, unless the joinder of all record Owners of the Unit is specifically required by this Declaration or by law.

11.6 Acts of the Association. Unless the approval or action of Unit Owners and/or a certain specific percentage of the Board of Directors is specifically required in this Declaration, the Articles of Incorporation, the By-Laws, applicable rules and regulations of the Association or applicable law, all approvals or actions required or permitted to be given or taken by the Association shall be given or taken by the Board of Directors without the consent of Unit Owners, and the Board may so approve and act through the proper officers of the Association without a specific resolution. When an approval or action of the Association is permitted to be given or taken hereunder or thereunder, such action or approval may be conditioned in any manner the Association deems appropriate or the Association may refuse to take or give such action or approval without the necessity of establishing the reasonableness of such conditions or refusal.

11.7 Amendment of By-Laws. No modification of or amendment to the By-Laws shall be valid unless set forth in or annexed to a duly recorded amendment to this Declaration. The By-Laws may be amended in the manner provided for therein, but no amendment to the By-Laws shall be adopted which would affect or impair the validity or priority of any mortgage covering any Condominium Parcel(s), or which would change the provisions of the By-Laws with respect to institutional mortgages without the written approval of all Institutional First Mortgagees of record. No amendment shall change the rights and privileges of the Developer without Developer's respective written consent. Any amendment to the By-Laws, as provided herein, shall be executed by the parties as required in this Section 11 and in Section 6 above, and said amendment shall be recorded in the public records of the County.

11.8 Binding Effect of Condominium Documents. Every Owner, whether having acquired ownership of a Unit by gift, conveyance or transfer by operation of law, or otherwise, shall be bound by the Articles of Incorporation, the By-Laws, the provisions of this Declaration and the management agreement. Membership in the Association shall automatically terminate upon the termination of ownership of a Condominium Parcel, and the subsequent Owner(s) taking title shall automatically become entitled to membership.

## **Section 12: Management Agreement**

The Association may enter into a Management Agreement with an individual or company licensed to perform the duties of managing the condominiums property.

## **Section 13: Determination of Assessments**

13.1 General Assessment. The Board of Directors shall from time to time, and at least annually, prepare and adopt a budget for the Condominium ("Budget for Common Expenses"), determine the amount payable by the Unit Owners to meet the Common Expenses of the Condominium, and allocate and assess such expenses among the Unit Owners in accordance with the provisions of this Declaration and the By-Laws ("General Assessment"). The Board of Directors shall advise all Unit Owners promptly in writing of the amount of the General Assessment payable by each of them as determined by the Board of Directors as aforesaid. The Budget for Common Expenses shall include the reserves required by law or determined appropriate by the Board, the costs of carrying out the powers and duties of the Association and any other expenses designated as Common Expenses by the Act, this Declaration, the Articles of Incorporation, the By-Laws or applicable rules and regulations of the Association. Incidental income to the Association, if any, may be used to pay regular or extraordinary Association expenses and liabilities, to fund reserve accounts, or otherwise as the Board shall determine from time to time, and need not be restricted or accumulated. Any adopted Budget for Common Expenses shall be subject to change by the Board of Directors, and the amount of the General Assessment shall be changed in accordance with such revised Budget for Common Expenses to cover actual expenses at any time. The expense of installation, replacement, operation, repair and maintenance of hurricane shutters by the Board pursuant to Section 7.3 of this Declaration and the Act shall constitute a Common Expense and shall be collected as provided in this Section. A Unit Owner who has previously installed hurricane shutters in accordance with Section 7.3 of this Declaration or laminated glass architecturally designed to function as hurricane protection which complies with the applicable building code shall receive a credit equal to the pro rata portion of the assessed installation cost assigned to each Unit. However, such Unit Owner shall remain responsible for the pro rata share of expenses for hurricane shutters installed on Common Elements of expenses for hurricane shutters installed on Common Elements and Association Property by the Board pursuant to Section 7.3 of this Declaration and shall remain responsible for a pro rata share of the expense of the replacement, operation, repair and maintenance of such shutters. Additionally, the cost of a master antenna television system or duly franchised cable television service, if any, obtained pursuant to a bulk contract, shall be deemed to be a Common Expense. The Board of Administration in Owners shall be authorized to include such costs in the provisions of this Declaration with respect to the collection of Assessments shall be applicable to the costs for cable television services and auxiliary services.

13.2 Special Assessments and Capital Improvement Assessments. In addition to General Assessments, the Board of Directors may levy "Special Assessments," and "Capital Improvement Assessments" upon the following terms and conditions:

(a) "Special Assessments" shall mean or refer to amounts levied against each Owner and such Owner's Unit, representing a portion of the costs incurred by the Association for specific purposes of a nonrecurring nature which are not in the nature of capital improvements. The Association may use the provisions of Section 13 of this Declaration to enforce payment of the shares of such Special Assessment.

(b) "Capital Improvement Assessments" shall mean and refer to amounts levied against each Owner and such Owner's Unit, representing a portion of the costs incurred by the Association for the acquisition, installation, construction or replacement (as distinguished from maintenance, repairs and replacement) of any capital improvements located or to be located within the Common Elements.

(c) Special Assessments and Capital Improvement Assessments may be levied by the Board of Directors and shall be payable in lump sums or installments, in the discretion of the Board; provided that, if such Special Assessments and Capital Improvement Assessments, in the aggregate in any year, exceed \$50,000.00 or cause the total Assessments levied to exceed 115% of Assessments for the preceding calendar year, the Board must obtain approval of a majority of the Owner of Units represented at a meeting duly called, noticed and held in accordance with the By-Laws and the Act.

13.3 "Limited Common Element Charges" shall mean and refer to amounts levied in accordance with Section 718.113(1), Florida Statutes, against the Owners of Units for the maintenance, repair, replacement and/or reconstruction of the Limited Common Elements described in Section 3.3 hereof which are appurtenant to such Units.

#### **Section 14: Collection of Assessments**

The General Assessments, Special Assessments, and Capital Improvement Assessments (collectively, the "Assessments") shall be collected as follows:

14.1 Liability for Assessments. A Unit Owner, regardless of how title is acquired, including by purchase at a judicial sale or by deed in lieu of foreclosure, shall be liable for all Assessments coming due while such person (as defined by Section 1.01(3), Florida Statutes) is the Owner of the Unit. Additionally, a Unit Owner shall be jointly and severally liable with the previous owner for all unpaid Assessments that came due up to the time of the conveyance, without prejudice to any right such Unit Owner may have to recover from the previous owner the amounts paid by such Unit Owner. The liability for Assessments may not be avoided by waiver of the use or enjoyment of any Common Elements or by the abandonment of the Unit for which the Assessments are made or otherwise.

14.2 Default in Payment of Assessments. Assessments and installments thereof not paid within 10 days from the date when they are due shall bear interest at the rate established from time to time by the Board of Directors from the due date until paid (provided, however, that no such rate shall exceed the maximum allowed by law). In the event the Board has not established such rate, the interest rate shall be 15%. Each delinquent payment shall be subject to an administrative late fee in an amount not to exceed the greater of \$25.00 or 5% of each delinquent installment. The Association has a lien on each Condominium Parcel for any unpaid Assessments on such Condominium Parcel, with interest thereon, and for reasonable attorney's fees and costs incurred by the Association incident to the collection of the Assessment or enforcement of the lien. The lien shall be effective on the earliest date allowed by law, which shall be no later than as of the recording of the claim of lien. Such lien shall be evidenced by the recording of a claim of lien in the public records of the County, stating the description of the Condominium Parcel, the name of the record Owner, the name and address of the Association, the amounts due and the due dates. The claim of lien shall not be released until all sums secured by it (or such other amount as to which the Association shall agree by way of settlement) have been fully paid or until such claim of lien is barred by law. The claim of lien shall secure (whether or not stated therein) all unpaid Assessments, interest thereon, the administrative late fee (if permitted under applicable law), and costs and attorneys' fees which are due and which may accrue subsequent to the recording of the claim of lien and prior to the entry of a final judgment of foreclosure thereof. A claim of lien shall be signed and acknowledged by an officer or authorized agent of the Association. Upon payment, the person making the payment is entitled to a satisfaction of the lien in recordable form. The Association or its assignee may bring an action to foreclose a lien for unpaid Assessments in the manner a mortgage of real property is foreclosed in Florida and may also bring an action at law to recover a money judgment for the unpaid Assessments and other amounts due without waiving any claim of lien. The Association is entitled to recover its costs and reasonable attorneys' fees incurred in either a lien foreclosure action or an action to recover a money judgment for unpaid Assessments.

As an additional right and remedy of the Association, upon default in the payment of Assessments as aforesaid and after 30 days' prior written notice to the applicable Unit Owner and the recording of a claim of lien, the Association may declare the balance of General Assessment installments due for the remainder of the fiscal year and payments of other known Assessments to be accelerated and shall thereupon be immediately due and payable. In the event that the amount of such accelerated installments or payments changes, the Unit Owner or the Association, as appropriate, shall be obligated to pay or reimburse to the other the amount of increase or decrease within 10 days of same taking effect.

Any payments received by the Association from a delinquent Unit Owner shall be applied first to any interest accrued as provided above, then to any administrative late fee, then to any costs and reasonable attorneys' fees incurred in collection as aforesaid and then to the delinquent and any accelerated Assessments. The foregoing application of funds received shall be applicable despite any restrictive endorsement, designation or instruction placed on or accompanying a payment.

14.3 Notice of Intention to Foreclose Lien. Unless otherwise required by the Act or other applicable law, no foreclosure judgment may be entered until at least 30 days after the Association gives written notice to the Unit Owner of its intention to foreclose its lien to collect the unpaid Assessments. If this notice is not given at least 30 days before the foreclosure action is filed, and if the unpaid Assessments, including those coming due after the claim of lien is recorded, are paid before the entry of a final judgment of foreclosure, the Association shall not recover attorneys' fees or costs. The notice must be given by delivery of a copy of it to the Unit Owner or by certified or registered mail, return receipt requested, addressed to the Unit Owner at the last known address, and upon such mailing, the notice shall be deemed to have been given. If after diligent search and inquiry the Association cannot find the Unit Owner or a mailing address at which the Unit Owner will receive the notice, the court may proceed with the foreclosure action and may award attorneys' fees and costs as permitted by law. The notice requirements of this subsection are satisfied if the Unit Owner records a Notice of Contest of Lien as provided in the Act.

14.4 Appointment of Receiver to Collect Rental. If the Unit Owner remains in possession of the Unit after a foreclosure judgment has been entered, the court in its discretion may require the Unit Owner to pay a reasonable rental for the Unit. If the Unit is rented or leased during the pendency of the foreclosure action, the Association is entitled to the appointment of a receiver to collect the rent, the expenses of such receiver to be paid by the party which does not prevail in the foreclosure action.

14.5 Institutional First Mortgagee. In the event an Institutional First Mortgagee or other purchaser shall obtain title to a Unit by foreclosure, or by deed in lieu of foreclosure, such Institutional First Mortgagee or other purchaser, its successors and assigns, shall be liable for Assessments or other related expenses authorized under the Act secured by the claim of lien only to the extent provided by the Act. If, due to the applicable provisions of the Act, any unpaid share of the Assessments or other related expenses authorized under the Act are not required to be paid, then such unpaid share or other related expenses authorized under the Act shall be deemed to be a Common Expense collectible from all of the Unit Owners, including such acquirer and such acquirer's successors and assigns.

14.6 Certificate of Unpaid Assessments. Within 15 days after request by a Unit Owner or mortgagee of a Unit, the Association shall provide a certificate stating all Assessments and other monies owed to the Association by the Unit Owner with respect to such Owner's Unit. Any person other than the Unit Owner who relies upon such certificate shall be protected thereby.

14.7 Installments. General Assessments shall be collected monthly or quarterly, in advance, as determined from time to time by the Board of Directors. Initially, General Assessments will be collected monthly.

14.8 Developer's Guarantee. If, in the purchase agreement or by other means pursuant to the Act, Developer shall guarantee to each purchaser that the Assessment for a specific period of time will not exceed a certain dollar amount, then the Developer shall only be obligated to pay the amount of Common Expenses incurred during that period and not produced by the Assessments received from other Unit Owners.

### **Section 15: Insurance**

Insurance covering the Condominium Property and the Association Property shall be governed by the following provisions:

15.1 "Insurance Trustee". The Board of Directors of the Association shall have the option in its discretion of appointing an Insurance Trustee hereunder. If the Association fails or elects not to appoint such Insurance Trustee, the Board of Directors will perform directly all obligations imposed upon such Insurance Trustee by this Declaration. Fees and expenses of any Insurance Trustee are Common Expenses.

#### 15.2 Purchase, Custody and Payment.

(a) Purchase. All insurance policies purchased by the Association shall be issued by an insurance company authorized to do business in Florida meeting all criteria established by the Board or the Act and any rules promulgated thereunder.

(b) Named Insured. Under all insurance policies purchased by the Association, the named insured shall be the Association, individually, and as agent for Owners of Units covered by the policy, without naming them, and as agent for their mortgagees, without naming them. The Unit Owners and their mortgagees shall be deemed additional insureds.

(c) Custody of Policies and Payment of Proceeds. All insurance policies purchased by the Association shall provide that payments for losses made by the insurer shall be paid to the Insurance Trustee, and such policies and endorsements thereto shall be deposited with the Insurance Trustee.

(d) Copies to Mortgagees. One copy of each insurance policy, or a certificate evidencing such policy, and all endorsements thereto, shall be furnished by the Association upon request to each Institutional First Mortgagee who holds a mortgage upon a Unit covered by the policy. Copies or certificates shall be furnished not less than 10 days prior to the beginning of the term of the policy, or not less than 10 days prior to the expiration of each preceding policy that is being renewed or replaced, as appropriate.

(e) Exceptions from Association Responsibility; Unit Owner's Personal Coverage. Except as specifically provided herein or by the Act, the Association shall not be responsible to Unit Owners to obtain insurance coverage upon any and all property lying within the boundaries of their Unit, including, but not limited to, their personal property, and for their personal liability and living expense and for any other risks not otherwise insured in accordance herewith.

Unit Owners may be required to purchase flood insurance for their respective Unit(s) if such insurance is required by their mortgagee(s). In the event flood insurance is required, such insurance shall not be for the lesser of 100% of the current replacement cost of the Unit, or the maximum amount of flood insurance available with regard to such property.

The Association shall have no obligation to purchase flood insurance or fire and casualty insurance on the Units.

In accordance with Section 3.5 herein, the Unit Owner shall be solely responsible for insuring any and all equipment, machinery, fixtures, furniture or the like installed and/or placed upon or within the Limited Common Elements appurtenant to such Owner's Unit, as well as any other improvements located within such Limited Common Elements.

Unless the Association elects otherwise, the insurance purchased by the Association shall not cover claims against a Unit Owner due to accidents occurring within such Owner's Unit. It shall be the obligation of the individual Unit Owner, if such Unit Owner so desires, to purchase and pay for insurance as to all such and other risks not covered by insurance carried by the Association.

15.3 Coverage Responsibilities of Association. The Association shall use its best efforts to obtain and maintain adequate insurance covering the following:

(a) Casualty. Insurance covering loss or damage to the Common Elements and all other portions of the Condominium Property which the Association is responsible to maintain under the terms of this Declaration, and all items for which the Association is required under applicable provisions of the Act to insure against loss or damage by fire and against loss or damage by risks now or hereafter embraced by standard extended coverage and vandalism and malicious mischief endorsements (collectively, the "Insured Property"). Such policies may contain reasonable deductible provisions as determined by the Board of Directors. Such coverage shall afford protection against such other risks as from time to time are customarily covered with respect to buildings and improvements similar to the Insured Property in construction, location and use, including, but not limited to, vandalism and malicious mischief.

(b) Liability. Comprehensive general public liability and automobile liability insurance covering loss or damage resulting from accidents or occurrences on or about or in connection with the Insured Property or adjoining driveways and walkways, or any work, matters or things related to the Insured Property, with such coverage as shall be required by the Board of Directors, but with combined single limit liability of not less than \$1,000,000.00 per occurrence, and with a cross liability endorsement to cover liabilities of the Unit Owners as a group to any Unit Owner, and vice versa.

(c) Worker's Compensation and other mandatory insurance, when applicable.

(d) Fidelity Insurance, if required by the Act or FNMA/FHLMC, covering all persons who control or disburse Association funds, such insurance to be in the amount required by law and must cover the maximum funds that will be in the custody of the association or its management agent at any one time. As used in this paragraph, the term "persons who control or disburse funds of the association" includes, but is not limited to, those individuals authorized to sign checks and the president, secretary, and treasurer of the association. The association shall bear the cost of bonding.

(e) Association Property. Appropriate additional policy provisions, policies or endorsements extending the applicable portions of the coverage described above to all Association Property, where such coverage is available.

(f) Such Other Insurance as the Board of Directors shall determine from time to time to be desirable.

When appropriate and obtainable, each of the foregoing policies shall waive the insurer's right to: (i) subrogation against the Association, its officers, members of the Board, the Developer, the Management Firm and its respective employees and agents, and against the Unit Owners individually and as a group; (ii) to pay only a fraction of any loss in the event of coinsurance or if other insurance carriers have issued coverage upon the same risk; and (iii) avoid liability for a loss that is caused by an act of the Board of Directors, a member of the Board of Directors, the Management Firm and its respective employees and agents, the Developer, one or more Unit Owners or as a result of contractual undertakings. Additionally, each policy shall provide that any insurance trust agreement will be recognized, that the insurance provided shall not be prejudiced by any act or omissions of the Management Firm or the individual Unit Owners that are not under the control of the Association, and that the policy shall be primary, even if a Unit Owner has other insurance that covers the same loss.

Every casualty insurance policy obtained by the Association shall have the agreed amount and inflation guard endorsement unless the Board finds such endorsement is unobtainable or economically infeasible.

15.4 Additional Provisions. All policies of insurance shall provide that such policies may not be canceled or substantially modified without at least 30 days' prior written notice to all of the named insureds, including all mortgagees of Units. Prior to obtaining any policy of casualty insurance or any renewal thereof, the Board of Directors may wish to obtain an appraisal from a fire insurance company, or other competent appraiser, of the full insurable replacement value of the Insured Property (exclusive of foundations), without deduction for depreciation, for the purpose of determining the amount of insurance to be effected pursuant to this Section.

15.5 Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense, except that the costs of fidelity bonding for any management company employee may be paid by such company pursuant to their agreement with the Association and except that the portion of such premiums attributable to the Residential Limited Common Elements shall be deemed part of the Residential Limited Common Element Expenses. Premiums may be financed in such manner as the Board of Directors deems appropriate.

15.6 Insurance Trustee; Share of Proceeds. All insurance policies obtained by or on behalf of the Association shall be for the benefit of the Association, the Management Firm, the Unit Owners and their mortgagees, as their respective interests may appear, and shall provide that all proceeds covering losses to the Insured Property shall be paid to the Insurance Trustee, which may be designated by the Board of Directors and which, if so appointed, shall be a bank or trust company in Florida with trust powers, with its principal place of business in the State of Florida. The Insurance Trustee shall not be liable for payment of premiums, nor for the renewal or the sufficiency of policies, nor for the failure to collect any insurance proceeds. The duty of the Insurance Trustee shall be to receive such proceeds as are paid and to hold the same in trust for the purposes elsewhere stated herein, and for the benefit of the Unit Owners and their respective mortgagees in the following shares, but shares need not be set forth on the records of the Insurance Trustee:

(a) Insured Property. Proceeds on account of damage to the Insured Property shall be held by the Association for each Unit Owner as tenants in common on the basis of the fair market value of each Unit, relative to the other Units in the Condominium, immediately prior to the event of casualty (such fair market value shall be determined by an MAI-certified appraiser selected by the Board of Directors in its sole discretion); provided, however, that prior to any distributions to the Unit Owners, such proceeds shall first be distributed in accordance with the provisions of Section 15.7 herein and further provided that if the insured property so damaged includes property lying within the Residential Limited Common Elements, that portion of the proceeds allocable to the Residential Limited Common Elements shall be held in undivided shares for each Residential Unit Owner.

(b) Mortgagees. No mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds, except for actual distributions thereof made to the Unit Owner and mortgagee pursuant to the provisions of this Declaration.

15.7 Distribution of Proceeds. Proceeds of insurance policies received by the Insurance Trustee shall be distributed to or for the benefit of the beneficial owners thereof in the following manner:

(a) Expenses of the Trust. All expenses of the Insurance Trustee shall be first paid or provision shall be made therefor.

(b) Reconstruction or Repair. If the damaged property for which the proceeds are paid is to be repaired or reconstructed, the remaining proceeds shall be paid to defray the cost thereof as elsewhere provided herein. Any proceeds remaining after defraying such costs shall be distributed to each Unit Owner, by check made payable jointly to such Unit Owner and its respective mortgagee(s), in accordance with the provisions of Section 15.6(a) herein.

(c) Failure to Reconstruct or Repair. If it is determined in the manner elsewhere provided that the damaged property for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be allocated among the beneficial owners as provided in Section 15.6(a) herein, and distributed to each Unit Owner by check made payable jointly to such Unit Owner and its respective mortgagee(s). If there is no mortgage on the Unit, all distributions shall be made directly to the Unit Owner.

(d) Certificate. In making distributions to Unit Owners and their mortgagees, the Insurance Trustee (if appointed) may rely upon a certificate of the Association made by its President and Secretary as to the names of the Unit Owners and their mortgagees and their respective shares of the distribution.

15.8 Association as Agent. The Association is hereby irrevocably appointed as agent and attorney-in-fact for each Unit Owner and for each owner of a mortgage or other lien upon a Unit and for each owner of any other interest in the Condominium Property to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

15.9 Presumption as to Damaged Property. In the event of a dispute or lack of certainty as to whether damaged property constitutes a Unit(s) or Common Elements, such property shall be presumed to be Common Elements.

#### **Section 16: Reconstruction or Repair After Fire or Other Casualty**

16.1 Determination to Reconstruct or Repair. Subject to the immediately following subsection, in the event of damage to or destruction of the Insured Property as a result of fire or other casualty, the Board of Directors shall arrange for the prompt repair and restoration of the Insured Property, and the Insurance Trustee shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments.

If 75% or more of the Insured Property is substantially damaged or destroyed and if Unit Owners owning 80% of the applicable interests in the Common Elements duly and promptly resolve not to proceed with the repair or restoration thereof and a Majority of Institutional First Mortgagees approve such resolution, the Condominium Property shall not be repaired and the net proceeds of insurance resulting from such damage or destruction shall be distributed to each Unit Owner, by check made payable to such Unit Owner and its respective mortgagee(s), in accordance with the provisions of Section 15.6(a) herein. Following such distribution of proceeds, the Condominium shall be terminated and the ownership of the Condominium Property shall be held by the formerly-titled Unit Owners in undivided interest as tenants-in-common, subject to and in accordance with the provisions of Section 21 hereof.

Whenever in this Section the words "promptly repair" are used, it shall mean that repairs are to begin not more than 60 days from the date the Insurance Trustee (if appointed) notifies the Board of Directors and Unit Owners that it holds proceeds of insurance on account of such damage or destruction sufficient to pay the estimated cost of such work, or not more than 90 days after the Insurance Trustee (if appointed) notifies the Board of Directors and the Unit Owners that such proceeds of insurance are insufficient to pay the estimated costs of such work. The Insurance Trustee (if appointed) may rely upon a certificate of the Association made by its President and Secretary to determine whether or not the damaged property is to be reconstructed or repaired.

16.2 Plans and Specifications. Any reconstruction or repair must be made substantially in accordance with the plans and specifications for the original improvements and the then applicable building and other codes; or if not, then in accordance with the plans and specifications approved by the Board of Directors and the then-applicable building and other codes.

16.3 Disbursement. The proceeds of insurance collected on account of a casualty, and the sums collected from Unit Owners on account of such casualty, shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction and repair in the following manner and order:

(a) Association - Lesser Damage. If the amount of the estimated costs of reconstruction and repair which are the responsibility of the Association is less than \$100,000.00, then the construction fund shall be disbursed in payment of such costs upon the order of the Board of Directors; provided, however, that upon request to the Insurance Trustee (if appointed) by an Institutional First Mortgagee which is a beneficiary of an insurance policy, the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner provided below for the reconstruction and repair of major damage.

(b) Association - Major Damage. If the amount of the estimated costs of reconstruction and repair which are the responsibility of the Association is more than \$100,000.00, then the construction fund shall be disbursed in payment of such costs in the manner contemplated by subsection (a) above, but then only upon the further approval of an architect or engineer qualified to practice in Florida and employed by the Association to supervise the work.

(c) Unit Owners. If there is a balance of insurance proceeds after payment of all costs of reconstruction and repair that are the responsibility of the Association, this balance shall be distributed to each Unit Owner, by check made payable jointly to such Unit Owner and its respective mortgagee(s), in accordance with the provisions of Section 15.6(a) herein.

(d) Certificate. Notwithstanding the provisions herein, the Insurance Trustee shall not be required to determine whether or not sums paid by Unit Owners upon Assessments shall be deposited by the Association with the Insurance Trustee, nor to determine whether the disbursements from the construction fund are to be made upon the order of the Association alone or upon the additional approval of an architect, engineer or

otherwise, nor whether a disbursement is to be made from the construction fund, nor to determine whether surplus funds to be distributed are less than the Assessments paid by Unit Owners, nor to determine the payees nor the amounts to be paid. The Insurance Trustee may rely upon a certificate of the Association, made by its President and Secretary, as to any or all of such matters and stating that the sums to be paid are due and properly payable, and stating the names of the payees and the amounts to be paid.

16.4 Assessments. If the proceeds of the insurance are not sufficient to defray the estimated costs of reconstruction and repair to be effected by the Association, or if at any time during reconstruction and repair, or upon completion of reconstruction and repair, the funds for the payment of the costs of reconstruction and repair are insufficient, Assessments shall be levied against the Unit Owners in sufficient amounts to provide funds for the payment of such costs. Such Assessments on account of damage to the Insured Property shall be in proportion to all of the Owners' respective shares in the Common Elements, as determined by the Association.

16.5 Responsibilities of Unit Owners. If damage occurs to the Units, the maintenance and responsibility of which lies solely upon the respective Unit Owners, then each Unit Owner shall be solely responsible for all necessary reconstruction and repair to its respective Unit which reconstruction and repair shall be effected promptly and in accordance with guidelines established by the Board of Directors. Each Unit Owner shall have the absolute responsibility of applying insurance proceeds, arising as a result of flood, fire or other casualty damage to the Unit to the repair and/or reconstruction of such Unit; provided, however, that no Unit Owner shall have the responsibility of applying insurance proceeds to the repair and/or reconstruction of the respective Units if the Condominium is terminated in accordance with the provisions of Section 21 herein.

16.6 Benefit of Mortgagees. Certain provisions in this Section are for the benefit of mortgagees of Units and may be enforced by any of them.

### **Section 17: Condemnation**

Any condemnation of any portion(s) of the Condominium Property shall be governed by the following provisions:

17.1 Deposit of Certain Condemnation Awards with Insurance Trustee. Condemnation awards pertaining to the taking of Common Elements shall be paid over by each Unit Owner to the Insurance Trustee for use as noted hereinafter in this Section. In the event the Unit Owner fails to turn over such award as required, the defaulting Unit Owner shall be charged the maximum interest which does not constitute usury under Florida law until such amount is fully paid.

Condemnation awards pertaining to the condemnation of Units shall not be the property of the Association.

17.2 Determination Whether to Continue Condominium. Whether the Condominium will be continued after condemnation will be determined in the manner provided for in Section 16 herein for determining whether damaged property will be reconstructed and repaired after casualty. For this purpose, the taking by eminent domain also shall be deemed to be a casualty.

17.3 Disbursement of Funds. If the Condominium is terminated following a condemnation, the proceeds of the awards pertaining to the condemnation of Common Elements will be deemed to be insurance proceeds and shall be owned and distributed in the manner provided with respect to the ownership and distribution of insurance proceeds if the Condominium is terminated after a casualty. If the Condominium is not terminated after condemnation, the size of the Condominium will be reduced and the property damaged by the taking will be made usable in the manner provided below. The proceeds of any such awards shall be used for these purposes and shall be disbursed in the manner provided for disbursement of funds by the Insurance Trustee after a casualty, or as elsewhere in this Section specifically provided.

17.4 Condemnation of Common Elements. Awards for the taking of portions of the Common Elements shall be used to render the remaining portion of the Common Elements usable in the manner approved by the Board of Directors of the Association; provided, however, that if the cost of such work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the manner elsewhere required for capital improvements to the Common Elements. The balance of the awards for the taking of Common Elements, if any, shall be distributed, after adjustments to these shares effected pursuant hereto by reason of the taking, to each Unit Owner by check made payable jointly to such Unit Owner and its respective mortgagee(s), in accordance with the provisions of Section 15.6(a) herein.

17.5 Condemnation of a Unit. If there is a taking of a Unit, the respective Unit Owner shall not be required to utilize any portion of the condemnation award with regard to reconstruction of the Unit. Following such taking of a Unit and the recording of a deed to the condemning authority, (1) the affected Unit Owner shall no longer have an ownership interest in the Unit or an undivided ownership interest in the Common Elements, and (2) such Unit Owner shall no longer be responsible for the payment of Common Expenses.

The following changes shall be made in the Condominium following a taking as described in this Section:

(a) Addition to Common Elements. The remaining portion of the Unit, if any, shall become part of the Common Elements and shall be placed in a condition allowing, to the extent possible, for use by all of the Unit Owners in the manner approved by the Board of Directors.

(b) Adjustment of Shares. The shares in the Common Elements, Common Expenses and Common Surplus appurtenant to the Units that continue as part of the Condominium shall be adjusted to distribute the shares in the Common Elements, Common Expenses and Common Surplus among the reduced number of Unit Owners (and among reduced Units). This distribution shall be determined by taking the total square footage of each Unit in proportion to square footage of the Units remaining in the Condominium.

(c) Assessments. In the event the Association does not have the funds necessary to alter the remaining portion of the condemned Unit for use as a part of the Common Elements, the additional funds for such

purposes shall be raised by Assessments against all of the Unit Owners who will continue as Owners of Units after the changes in the Condominium effected by the taking. The Assessments shall be made in proportion to the applicable percentage shares of those Owners after all adjustments to such shares effected pursuant hereto by reason of the taking.

17.6 Amendment of Declaration. The changes in Units, in the Common Elements and in the ownership of the Common Elements and share in the Common Expenses and Common Surplus that are effected by the taking shall be evidenced by an amendment to this Declaration that is only required to be approved by, and executed upon the direction of, a majority of all members of the Board of Directors.

### **Section 18: Occupancy and Use Restrictions**

In order to provide for congenial occupancy of the Condominium Property and for the protection of the values of the Units, the use of the Condominium Property shall be restricted to and shall be in accordance with the following provisions:

Occupancy. Each Residential Unit shall be used only as a residence and/or a home office, all in accordance with any and all applicable county and state codes, ordinances and regulations. A Unit owned by an individual, corporation, partnership, trust or other fiduciary may only be occupied by the following persons, and such persons' families and guests: (i) the individual Unit Owner, (ii) an officer, director, stockholder or employee or such corporation, (iii) a partner or employee of such partnership, (iv) the fiduciary or beneficiary of such fiduciary, or (v) permitted occupants under an approved lease or sublease of the Unit (as describe below), as the case may be. Occupants of an approved lease or subleased Unit must be the following persons, and such persons' families and guests: (i) an individual lessee or sublessee, (ii) an officer, director, stockholder or employee of a corporate lessee or sublessee, or (iv) a fiduciary or beneficiary of a fiduciary lessee or sublessee.

Under no circumstances may more than one family reside in a Residential Unit at one time. "Families" or words of similar import used herein shall be deemed to include spouses, parents, parents-in-law, brothers, sisters, children and grandchildren. The Board of Administration shall have the power to authorize the use and occupancy of a Unit by persons in addition to those set forth above. The provisions of this Section shall not be applicable to Units used by the Developer for model apartments, sales offices, other offices or management services.

Other than the Developer, Residential Units Owners may not: (a) use or permit the use of his Unit except for purposes consistent with the laws of governing authorities having jurisdiction over the property; (b) permit or suffer anything to be done or kept in his Unit which would increase the insurance rates on his Unit or the Common Elements, or which will obstruct the view or interfere with the rights of other members or annoy them with unreasonable noises or otherwise; nor shall a member commit or permit any nuisance, immoral or illegal act in his Unit or on the Common Elements; (c) allow any rubbish, refuse, garbage or trash to accumulate in places other than the receptacles provided therefor, so that each Unit, the Common Elements and Limited Common Elements shall at all times remain in a clean and sanitary condition; (d) make any use of a Unit that violates any laws, ordinances and regulations of any governmental body having jurisdiction thereof; (e) play radios or tape recorders, except those with earphones, by the pool area; (f) remove any pool chairs and lounges from the pool deck area; (g) hold any parties on the pool deck or other Common Element without the approval of the Association.

All Residential Units Owners must: (a) in order to provide for proper safety, consume food or beverages at the pool only in the area designated by the Association; (b) provide proper identification to gain access to the pool; (c) accompany their guests to the pool at all times; (d) deposit their trash in the trash chute located on each floor.

Other than the Developer, all Units Owners must: (a) Promptly pay the Assessments levied by the Association; (b) maintain in a clean and sanitary manner and repair his Unit and all interior surfaces within or surrounding his Unit (such as the surfaces of the walls, ceilings, floors, etc.) whether or not a part of the Unit or Common Elements which are a part of the Unit, and maintain and repair the fixtures therein and pay for any utilities which are separately metered to his Unit; (c) Conform to and abide by the By-Laws and uniform rules and regulations in regard to the use of the Unit and Common Elements which may be adopted in writing from time to time by the Association, and to see that all persons using the Owner's property, by, through or under him do likewise; (d) Allow the Board of Directors or the agents and employees of the Association to enter any Unit for the purpose of maintenance, repair or replacement of any Common Elements or building system or for making emergency repairs which are necessary to prevent damage to the Common Elements or to another Unit or Units. If no key has been provided to the Association, then the expense of entry into a Unit for emergency purposes shall be borne by the Owner of the Unit; (e) Abide by any regulations regarding children as may be established by the Association, except that no regulations shall prohibit children from residing in or occupying a Unit; (f) Return the "Condominium Parcel" for the purpose of ad valorem taxes to the respective taxing authorities having jurisdiction over them for separate Assessment against his Condominium Parcel. For the purposes of ad valorem taxation, the interest of the Owner of a "Condominium Parcel" in his "Condominium Residence" and in the "Common Elements" shall be considered as a Residence. The value of said Residence shall be equal to the proportion or percentage of the value of the entire Condominium, including land and improvements, as has been assigned to said Residence in Exhibit "B" of the Declaration attached hereto as Exhibit A. The total of all said proportions or percentages equals the value of all of the land and improvements thereon; (g) use the parking spaces as provided herein; (h) provide the Association with at least one set of keys to their Unit(s), in case of emergency; (i) dress in proper attire, including shirts and shoes, when walking through Common Elements; (j) insure all personal property and fixtures in the residence with an "A" rated insurer according to Best's Rating guide. In addition, all Unit owners must carry liability coverage in an amount to be determined by the Board of Directors to protect against personal property damage to other residences.

Children. Children shall be the direct responsibility of their parents or legal guardian, including full supervision of them while within the Condominium Property and including full compliance by them of these restrictions and all rules and regulations of the Association. All children under 18 years of age must be accompanied by a responsible adult when entering and/or utilizing the recreational and other commonly used facilities.

Pets. Except for small domestic birds or fish, each Unit Owner (regardless of the number of joint owners) may maintain as household pets in his Unit, subject to the reasonable rules and regulations promulgated by the Association, either one domesticated dog, which, when fully grown shall not exceed the weight of 40 pounds, or two domesticated cats or two domesticated dogs, which, when fully grown will not exceed a combined weight of 80

pounds provided such pets are: (i) permitted to be so kept by applicable laws and regulations, (ii) not left unattended on balconies or any other area outside the Unit, (iii) generally not a nuisance (as determined by the Association) to residents of other Units or of neighboring buildings and (iv) not a pit bull or other such breed considered to be dangerous by the Board of Directors in their sole and absolute discretion. No animals of any kinds shall be kept under any circumstances in a unit, or allowed upon the Condominium Property, except by prior written consent of the Board of Administration of the Association. Neither the board nor the Association shall be liable for any personal injury, death or property damage resulting from a violation of the foregoing and any occupant of a Unit committing such violation shall fully indemnify and hold harmless the Board of Directors, the Developer, each Unit Owner and the Association in such regard. Pets are not permitted on any portion of the Recreation Deck. Any landscaping damage or other damage to the Common Elements and/or the Residential Limited Common Elements caused by a Unit Owner's pet must be promptly repaired by the Unit Owner. The Association retains the right to effect said repairs and charge the Unit Owner therefore. No pets shall be permitted in the Commercial Units or limited common element storage spaces, provided however, that nothing herein shall prohibit the guests, patrons or invitees of any Commercial Units from bringing their pets with them when patronizing a Commercial Unit or any tenant of any portion of a Commercial Unit. This Section pertaining to pets shall not be amended in any way which would cause those original Owners who brought pets meeting the requirements of this Section upon the Condominium Property and in the Units from keeping those pets.

Alterations Other than the Developer, Residential Units Owners may not do any construction or renovation without written notification to the Association at least twenty-four (24) hours in advance. The Association may reasonably restrict the time and manner of construction, except as it relates to the Developer. Work on residences, other than those held by Developer, may be commenced not earlier than 9:00 a.m. and all workers must be off of the premises by 5:00 p.m., Monday through Friday. No work on non-developer residences shall be done on Saturdays and Sundays without the prior written consent of the Association. Other than the Developer, Residence Owners must provide the Association with a \$500.00 security deposit prior to commencing construction or renovation. Additionally, while the Developer or Association maintains a construction dumpster on-site, all Residence Owners constructing or renovating their Residences shall use said dumpster for construction debris only and must pay to the Developer or Association a nonrefundable fee of up to \$200.00 per month for use of the dumpster while the owner's residence is under construction. No refuse from construction deliveries shall be placed in trash containers on a site not specifically designated for construction materials. Other than the Developer, Unit Owners must provide copies of proper permits, licenses, insurance certificates, plans and specifications to the Association before commencing with work. Owners must use only properly licensed and insured contractors and submit a copy of each contractor's insurance certificate to the Association prior to work commencing.

Other than the Developer, Residential Units Owners may not: (a) post any sign, advertisement or notice of any type on the Common Elements or his Unit, and erect no exterior antennas and aerials, except as provided in uniform regulations promulgated by the Association; (b) make any repairs to any plumbing, air conditioning systems or electrical wiring within a Residence, except by licensed plumbers, repairmen or electricians authorized to do such work by the management of the Association. Plumbing, air conditioning and electrical repairs within a Residence shall be paid for and be the financial obligation of the Owner of the Residence. The Association shall pay for and be responsible for plumbing, air conditioning repairs and electrical wiring within the Common Elements. The Association shall have the right to exclude any unauthorized repairmen from the Condominium; (c) extend, enclose or decorate any balconies, patios or terraces in any way whatsoever without the prior written consent of the Board of Directors. Should an owner elect to install hurricane shutters, the color, style and installation method must be approved in advance, in writing, by the Association; (d) except as otherwise provide herein, divide or subdivide a Residence for purpose of sale or lease, except that a Residential Unit may be combined with a contiguous Residential Unit and occupied as one dwelling Residential Unit; (e) hang any laundry, garments or other objects which are visible from outside of the Unit, except for draperies, blinds, shades or other suitable window coverings. Decorative window coverings shall not include any type of reflective film on any glass windows or doors; (f) make any alteration, decoration, repair, replacement or change of the Common Elements or to any outside or exterior portion of the building without the prior written consent of the Association, which consent can be granted or denied with or without cause; (g) replace and/or remove screens, canopies or other enclosures on balconies, patios or terraces or on other parts of the building, even though such areas may be Limited Common Elements, except with prior written approval of the Board of Directors. Notwithstanding anything contained herein to the contrary, pursuant to section 718.113(4), Florida Statutes, a Unit Owner is permitted to respectfully display a United States Flag and on Armed Forces Day, Memorial Day, Flag Day, Independence Day, and Veterans Day is permitted to display in a respectful way, portable, removable official flags, not larger than 4-1/2 feet by 6 feet, that represent the United States Army, Navy, Air Force, Marine Corps, or Coast Guard regardless of any declaration rules or requirements dealing with flags.

The Board of Directors shall have the right among other things to promulgate rules and regulations regarding soundproofing of floors in connection with the installation of floor coverings. Additionally, the Residential Unit Owner shall provide written proof of conformance with such regulations prior to installing any floor system in his/her/their Unit. The Board of Directors shall have the right to promulgate rules and regulations regarding the design of the Residential Units that affect the Common Elements of the Association directly or indirectly.

The foregoing shall specifically not apply to the owners of any Commercial Units. The Owners of the Commercial Units are expressly permitted (without requiring the consent of the Association or any Unit Owner or any other party other than any applicable governmental authorities to the extent that prior approval from them is required), to install on the exterior walls of such Owner's Commercial Unit and any Limited Common Element or Common Elements, balconies, terraces, patios, decks or other areas appurtenant to such signage, mechanical equipment, antennas, dishes, receiving, transmitting, monitoring or other equipment thereon as it may desire and may further make any alterations or improvements, in the Commercial Units Owner's sole discretion, to his or her Commercial Unit, Limited Common Elements or Common Elements. Any improvements and/or alterations made by a Commercial Units Owner, must however comply with all applicable governmental codes, ordinances and/or regulations.

The Developer shall be exempt from all provisions herein requiring the consent of the Association except for those which place restriction on (i) the presence of pets; (ii) occupancy of units based on age; (iii) the type of vehicles allowed on condominium property and (iv) requirements that leases or lessees be approved by the association in accordance with rule 61B-18.007 F.A.C. however, the Developer and its designees shall have the right to be exempt from any such parking restriction if the vehicle is engaged in any activity relating to construction, maintenance or marketing of Units, if such exemption is provided maintenance or marketing of Units, if such exemption is provided in the Condominium Documents.

### **Section 19: Selling, Leasing and Mortgaging of Units**

Units may be made subject to mortgages without restrictions, but sales and leases thereof shall be subject to the provisions of this Section 19:

19.1 **Sales.** No conveyance of a Unit, by parties other than the Developer or Institutional Mortgagees, shall be valid unless a certificate executed and acknowledged by an officer of the Association, stating that all Assessments levied against such Unit have been paid in full, is recorded together with the instrument of conveyance. The Board of Directors shall furnish such certificate upon receipt from the Unit Owner of a request form (which will be prepared by the Association) setting forth the proposed purchaser's name, notice address and date of closing. Each new Owner receiving a conveyance from any party except the Developer shall notify the Association and the Management Firm promptly after becoming a new Owner by delivering a copy of his deed to the Unit to the Association and the Management Firm.

19.2 **Leases.** No lease of a Unit by the Owner thereof shall be for a period of less than six (6) months and no more than two (2) times per year; provided, however, and notwithstanding any provision to the contrary, the Developer may lease or rent any Unit owned by the Developer for any period of time and from time to time. No Unit Owner may lease or rent his Unit if delinquent in the payment of any Assessments. If all Assessments are paid up to date, a Unit Owner may rent or lease such Owner's Unit without further approval. However, the Unit Owner renting or leasing such Owner's Unit shall promptly notify the Association, or Management Firm of each renter and the term of such rental or lease. The sub-leasing or sub-renting of a Unit Owner's interest shall be subject to the same limitations as are applicable to the leasing or renting thereof. The Association shall have the right to require upon notice to all Unit Owners that a substantially uniform form of lease or sub-lease be used by all Unit Owners (including the Developer) intending to rent or lease after said notice and to provide such form as a Common Expense. Entire Units only may be rented, provided the occupancy is only by the lessee and his family and guests; no individual rooms may be rented.

Every lease shall specifically provide (or shall be automatically deemed to provide) that a material condition of the lease shall be the tenant's full compliance with the covenants, terms, conditions and restrictions of the Declaration (and all exhibits thereto) and with any and all rules and regulations adopted by the Association from time to time (before or after the execution of the lease). The Unit Owner will be jointly and severally liable with the tenant to the Association for any amount resulting from acts or omissions of tenants as determined in the sole discretion of the Association. A tenant of a Unit shall have all of the use rights in the Association Property and Common Elements otherwise readily available for use generally by Unit Owners and the Owner of the leased Unit shall not have such rights, except as a guest. This shall not, however, interfere with access rights of an Owner as landlord pursuant to applicable law.

Notwithstanding anything contained herein to the contrary, Commercial Units shall not be subject to any restrictions or limitations on leases or rentals, provided that they may only be used for lawful purposes.

19.3 **Continuing Liability.** The liability of the Unit Owner under this Declaration shall continue, notwithstanding the fact that he may have leased, rented or sub-let said interest as provided herein. Every purchaser, tenant or lessee shall take subject to this Declaration, the Articles of Incorporation, the By-Laws, and the management agreement, as well as the provisions of the Act.

19.4 **No Severance of Ownership.** No part of the Common Elements may be sold, conveyed or otherwise disposed of, except as an appurtenance to the Unit in connection with a sale, conveyance or other disposition of the Unit to which such interest is appurtenant, and any sale, conveyance or other disposition of a Unit shall be deemed to include that Unit's appurtenant interest in the Common Elements.

19.5 **Gifts and Devises, etc.** Any Unit Owner shall be free to convey or transfer such Owner's Unit by gift, to devise such Owner's Unit by will, or to have such Owner's Unit pass by intestacy, without restriction; provided, however, that each succeeding Unit Owner shall be bound by, and such Owner's Unit subject to, the provisions of this Section.

### **Section 20: Compliance and Default**

Each Occupant and the Association shall be governed by and shall comply with the terms of this Declaration of Condominium and all exhibits annexed hereto, and the rules and regulations adopted pursuant to those documents, as the same may be amended from time to time. The Association (and Unit Owners, if appropriate) shall be entitled to the following relief in addition to the remedies provided by the Act:

20.1 **Negligence.** A Unit Owner shall be liable for the expense of any maintenance, repair or replacement made necessary by his negligence or by that of any member of his family or his or their guests, employees, agents or lessees, but only to the extent such expense is not met by the proceeds of insurance actually collected in respect of such negligence by the Association.

20.2 **Compliance.** In the event a Unit Owner fails to maintain a Unit or fails to cause such Unit to be maintained, or fails to observe and perform all of the provisions of the Declaration, the By-Laws, the Articles of Incorporation, applicable rules and regulations, or any other agreement, document or instrument affecting the Condominium Property or administered by the Association, in the manner required, the Association shall have the right to proceed in a court of equity to require performance and/or compliance, to impose any applicable fines or to sue in a court of law for damages. For purposes of this Declaration, the failure of an Occupant who is not a Unit Owner to comply with the terms and provisions of this Declaration shall not relieve the Unit Owner from liability and responsibility.

20.3 **Costs and Attorneys' Fees.** In any proceeding arising because of an alleged failure of a Unit Owner or the Association to comply with the requirements of the Act, this Declaration, the Articles of Incorporation, the By-Laws or the rules and regulations adopted pursuant to said documents, as the same may be amended from

time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees (including appellate attorneys' fees).

20.4 No Waiver of Rights. The failure of the Association or any Unit Owner to enforce any covenant, restriction or other provision of the Act, this Declaration, the Articles of Incorporation, the By-Laws or the rules and regulations adopted pursuant to said documents, as the same may be amended from time to time, shall not constitute a waiver of their right to do so thereafter.

#### **Section 21: Termination of Condominium**

The Condominium shall continue until (i) terminated by casualty loss, condemnation or eminent domain, as more particularly provided elsewhere in this Declaration, or (ii) such time as termination of the condominium form of ownership is authorized by a vote of Owners owning 100% of the Units and by the Primary Institutional First Mortgagee. Upon such termination, the former Condominium Property shall be subject to an action for partition by any Owner, and the net proceeds of sale shall be divided among all Owners in proportion to their respective interests in the Common Elements; provided, however, that no payment shall be made to an Owner until all mortgages and liens on his Unit, in the order of their priority, have been satisfied out of his share of such net proceeds. Upon such termination, all funds of the Association, including, but not limited to, reserves, but specifically excluding insurance proceeds and condemnation awards (which proceeds and awards shall be apportioned to the Unit Owners based upon the provisions of Sections 16.1 and 17.4, respectively), shall be divided among all Owners in proportion to their respective interests in the Common Elements; provided, however, that no payment shall be made to an Owner until all mortgages and liens on his Unit, in the order of their priority, have been satisfied out of his share of such net proceeds. The termination of the Condominium shall be effective upon a certificate of the Association, executed by its President and Secretary, certifying the basis of the termination being recorded among the public records of the County.

#### **Section 22: Additional Rights of Mortgagees and Others**

The following provisions are intended for the benefit of each holder of a first mortgage upon a Unit, and, to the extent that any other provisions of this Declaration conflicts with the following provisions, if at all, the following provisions shall control:

22.1 Upon request in writing, the Association shall furnish to each Institutional First Mortgagee of a Unit and any holder, insurer or guarantor of a first mortgage a written notice of any default by the Unit Owner of such Unit in the performance of such Unit Owner's obligations under this Declaration that has not been cured within 30 days.

22.2 Upon request in writing, each Institutional First Mortgagee of a Unit and any holder, insurer or guarantor of a first mortgage on a Unit shall have the right:

(a) to examine current copies of this Declaration, the By-Laws, rules and regulations and the books, records and financial statements of the Association during normal business hours;

(b) to receive, without any charge and within a reasonable time after such request, the annual audited financial statement which is prepared and distributed by the Association to the Unit Owners at the end of its fiscal year; provided, however, that in the event an audited financial statement is not available, the holders of 51% or more of the first mortgages in the Units shall be entitled to have such an audited statement prepared at their expense;

(c) to receive written notices of all meetings of the Association and to designate a representative to attend all such meetings;

(d) to receive written notice of any decision by the Unit Owners to make a material amendment to the Declaration, the By-Laws or the Articles of Incorporation;

(e) to receive written notice of any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; and

(f) to receive written notice of any action which would require the consent of a specified number of Institutional First Mortgagees.

22.3 No provision of this Declaration or the Articles of Incorporation or any similar instrument pertaining to the Condominium Property or the Units therein shall be deemed to give a Unit Owner or any other party priority over any rights of the Institutional First Mortgagees of Units pursuant to their mortgages in the case of distribution to Unit Owners of insurance proceeds or condemnation awards for losses to or a taking of the Units, and/or the Common Elements, or any portion thereof or interest therein. In such event, the holder of any first mortgage on a Unit shall be entitled, upon specific written request, to timely written notice of any such loss.

22.4 The consent of Owners holding at least 75% of the total votes in the Association and the approval of the holders of first mortgages on Units which represent at least 51% of the votes of Units that are subject to first mortgages shall be required to add or amend any material provisions of this Declaration which establish, provide for, govern or regulate any of the following:

(a) Voting rights;

(b) Increases in Assessments that raise the previously Assessment by more than 25%, Assessment liens or the priority of Assessment liens;

(c) Reductions in reserves for maintenance, repair and replacement of the Common Elements;

(d) Hazard or fidelity insurance requirements;

- (e) Rights to use of the Common Elements;
- (f) Responsibility for maintenance and repair of the Condominium Property;
- (g) Boundaries of any Unit;
- (h) The reallocation of interests in the Common Elements or Limited Common Elements or the rights to their use;
- (i) Convertibility of Units into Common Elements or of Common Elements into Units;
- (j) Leasing of Units;
- (k) Imposition of any right of first refusal or similar restriction on the right of a Unit Owner to sell, transfer, or otherwise convey his or her Unit; and
- (l) Any decision by the members of the Association to establish self-management and terminate the management responsibilities, duties and contractual obligations of the Management Firm, to the extent not superseded by the provisions of Section 718.302(1), Florida Statutes, in the event of conflict between such statute and this subsection;
- (m) The expansion or contraction of the Condominium Property, or the addition, annexation, or withdrawal of property to or from the Condominium;
- (n) Restoration or repair of the Condominium (after damage or partial condemnation) in a manner other than as provided in this Declaration; or
- (o) Any provisions which are for the express benefit of holders, insurers or guarantors of first mortgages on the Units.

22.5 Upon specific written request to the Association, each Institutional First Mortgagee of a Unit or holder, insurer or guarantor of a mortgage on a Unit shall be furnished notice in writing by the Association of any damage to or destruction or taking of the Common Elements if such damage or destruction or taking exceeds \$100,000.00 or if damage shall occur to a Unit in excess of \$10,000.00.

22.6 If any Unit or portion thereof or the Common Elements or any portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, then the holder, insurer or guarantor of any first mortgage on a Unit will be entitled to timely written notice, upon specific written request, of any such proceeding or proposed acquisition and no provisions of any document will entitle a Unit Owner or other party to priority over such holder with respect to the distribution to such Unit of the proceeds of any award or settlement.

22.7 Any holder of a first mortgage on a Unit who receives a written request to approve additions or amendments and fails to deliver or mail to the requesting party a negative response within thirty (30) days shall be deemed to have approved such request.

22.8 In the event professional management has been previously required by any holder, insurer or guarantor of a first mortgage on a Unit, any decision to establish self management by the Association shall require the prior consent of Unit Owners in accordance with Section 718.302(1), Florida Statutes.

22.9 As required by Section 718.110, Florida Statutes, any mortgagee consent required under this Section shall not be unreasonably withheld and shall otherwise be deemed to apply to the extent applicable.

### **Section 23: Disclaimer of Warranties**

Pursuant to Section 718.203, Florida Statutes, the Developer is deemed to have granted the Purchaser of each Unit an implied warranty of fitness and merchantability for the purposes and uses intended as described in 718.203. To the extent permitted by law, the Developer hereby specifically disclaims any other warranties whether expressed or implied. Developer further disclaims any intent to have made any warranty or representation in connection with the Condominium Documents and disclosure materials except as specifically set forth therein, and no person shall rely upon any warranty or representation not specifically made herein. Any estimates of common expenses, taxes or other charges are believed to be accurate, but no warranty or guaranty is made or intended, nor may one be relied upon except where the same is specifically warranted or guaranteed.

All Unit Owners, by virtue of acceptance of title to their respective Units (whether from Developer or another party) shall be deemed to have automatically waived all incidental and consequential damages.

Unless specifically required by the Act or the applicable rules of the Florida Administrative Code, the Developer shall have no liability for any economic or non-economic damages to the Unit Owner. The only remedy available to the Unit Owner and/or Association shall be to compel the Developer to correct any construction defects that may be required by the Act or the applicable rules of the Florida Administrative Code.

**AS TO SUCH WARRANTIES WHICH CANNOT BE DISCLAIMED, AND TO OTHER CLAIMS, IF ANY, WHICH CAN BE MADE AS TO THE AFORESAID MATTERS, ALL INCIDENTAL AND CONSEQUENTIAL DAMAGES ARISING THEREFROM ARE HEREBY DISCLAIMED.**

**ALL UNIT OWNERS, BY VIRTUE OF THEIR ACCEPTANCE OF TITLE TO THEIR RESPECTIVE UNITS (WHETHER FROM THE DEVELOPER OR ANOTHER PARTY), SHALL BE DEEMED TO HAVE AUTOMATICALLY WAIVED ALL OF THE AFORESAID DISCLAIMED WARRANTIES AND INCIDENTAL AND CONSEQUENTIAL DAMAGES.**

#### **Section 24: Arbitration**

Disputes between a Unit Owner and the Association, as defined in Section 718.1255(1), Florida Statutes, involving Unit Owners, Associations and/or Tenants, shall be resolved by non-binding arbitration in accordance with the rules of the Division of Florida Land Sales, Condominiums and Mobile Homes. Without limiting the effect of the foregoing sentence, pursuant to Section 718.1255(4), Florida Statutes, prior to the institution of court litigation (whether to enforce an arbitration award or otherwise), the parties to a dispute shall petition the Division for non-binding arbitration. Pursuant to Rule 61B-45.015(1), F.A.C., parties to an arbitration proceeding are limited to unit owners, associations and tenants. Notwithstanding anything contained herein to the contrary, the remedies afforded by Sections 718.303 and 718.506, Florida Statutes, shall not be limited. Furthermore, this Section shall not impair the Association's access to the courts, as representative of the purchasers, pursuant to Section 718.111(3), Florida Statutes.

#### **Section 25: Additional Provisions**

25.1 **Notices.** All notices to the Association required or desired hereunder or under the By-Laws shall be sent by first class mail to the Association in care of its office at the Condominium, or to such other address as the Association may hereafter designate from time to time by notice in writing to all Unit Owners. Except as provided specifically in the Act, all notices to any Unit Owner shall be sent by first class mail to the address of such Unit Owner appearing in the Association's records at the time the notice is transmitted. Where a Unit is owned by more than one person, the Association shall provide notice, for meetings and all other purposes, to that one address which the Developer initially identifies for that purpose and thereafter as one or more of the Owners of the Unit shall so advise the Association in writing, or if no address is given or the Owners of the Unit do not agree, to the address provided in the deed record.

All notices to mortgagees of Units shall be sent by first class mail to their respective addresses, or such other address as may be designated by them from time to time, in writing to the Association.

All notices shall be deemed to have been given when mailed in a postage prepaid sealed wrapper, except notices of a change of address, which shall be deemed to have been given when received, or 5 business days after proper mailing, whichever shall first occur.

25.2 **Interpretation.** The Board of Directors shall be responsible for interpreting the provisions hereof and of any of the exhibits attached hereto. Such interpretation shall be binding upon all parties unless wholly unreasonable. An opinion of legal counsel to the Association, or the legal counsel having drafted this Declaration, that any interpretation adopted by the Association is not unreasonable shall conclusively establish the validity of such interpretation.

25.3 **Binding Effect of Section 718.303, Florida Statutes.** The provisions of Section 718.303(1), Florida Statutes, shall be in full force and effect and are incorporated herein. The Management Firm, for as long as the management agreement remains in effect, shall assist the Association in the prosecution of any action pursuant to the statute aforescribed.

25.4 **Right of Developer to Add Recreational Facilities and Common Elements.** If the Developer elects to add or expand any recreational facilities or any other portion of the Common Elements, the Developer shall pay all the expenses relating to the construction or the providing of such addition or expansion and shall record an amendment to this Declaration describing such property. The amendment shall be executed with the formalities of a deed and recorded in the public records of the County. No approval or action of the Association, Unit Owners or mortgagees shall be necessary for adding such additional Common Elements to condominium ownership. All costs of maintenance, repair and replacement relating to the addition or expansion of the recreational facilities or any other portion of the Common Elements shall be a Common Expense.

25.5 **Right of Developer to Convey Property to the Association.** The Developer hereby reserves the right to convey to the Association any real property lying contiguous to the Condominium Property free and clear of liens and encumbrances, including, but not limited to, wetlands or other parcels more suitable to become Association Property rather than Common Elements. All costs and expenses associated with such Association Property shall be Common Expenses. The Association shall be required to accept any such conveyance from the Developer.

25.6 **Exhibits.** There are hereby incorporated in this Declaration all materials contained in the exhibits annexed hereto, except that as to such exhibits, any conflicting provisions set forth therein as to their amendment, modification, enforcement and other matters shall control over those hereof.

25.7 **Signature of President and Secretary.** Wherever the signature of the President of the Association is required hereunder, the signature of a Vice-President may be substituted therefor, and, wherever the signature of the Secretary of the Association is required hereunder, the signature of an Assistant Secretary may be substituted therefor, provided that the same person may not execute any single instrument on behalf of the Association in 2 separate capacities.

25.8 **Severability.** The invalidity in whole or in part of any covenant or restriction, or any section, subsection, sentence, clause, phrase or word, or other provision of this Declaration, the exhibits annexed hereto, or applicable rules and regulations adopted pursuant to such documents, as the same may be amended from time to time, shall not affect the validity of the remaining portions thereof which shall remain in full force and effect.

25.9 **Waiver.** No provisions contained in this Declaration shall be deemed to have been waived by reason of any failure to enforce the same, without regard to the number of violations or breaches which may occur.

25.10 **Ratification.** Each Unit Owner, by reason of having acquired ownership (whether by purchase, gift, operation of law or otherwise), and each Occupant who is not a Unit Owner (by reason of such occupancy), shall be deemed to have acknowledged and agreed that all of the provisions of this Declaration, and the Articles of Incorporation, the By-Laws and applicable rules and regulations, are fair and reasonable in all material respects.

25.11 Gender; Plurality. For convenience and ease of reference, the third person singular impersonal form of pronoun "it" has been used herein without regard to the proper grammatical person or gender of the party being referred to. All such references shall be deemed to include the singular or plural person and the masculine, feminine or neuter gender, as required by the context.

25.12 Captions. The captions herein and in the exhibits annexed hereto are inserted only as a matter of convenience and for ease of reference and in no way define or limit the scope of the particular document or any provision thereof.

IN WITNESS WHEREOF, the Developer has caused this Declaration to be duly executed and its corporate seal to be hereunto affixed this 27th day of February, 2006.

The Directors so elected at the Annual Meeting shall constitute the Board Directors until the next Annual Meeting of the members of the Association and the election and qualification of their successors.

Section 3. Membership List: At least fifteen (15) days before every election of the Directors, a complete list of members entitled to vote at said election, arranged numerically by Condominium Units, shall be produced and kept for said fifteen (15) day period and during the election at the office of the Association and shall be open to examination by any member during such period.

Section 4. Special Meetings:

(a) Special Meetings of the members, for any purpose or purposes, unless otherwise prescribed by statute (including, but not limited to, the provisions of Chapter 718.112 (2) (e) and (j), Florida Statutes, regarding the percentage required to call certain special meetings, regarding budget and recall of Board Members), or Secretary at the request, in writing, of members holding not less than twenty five (25%) percent of the voting interest in the Association. Such request shall state the purpose, or purposes, of the proposed meeting.

(b) Written notice of a Special Meeting of members, stating time, place and object thereof, shall be mailed by regular mail to each member entitled to vote thereat, at such address as appears on the books of the Association, at least fourteen (14) days before such meeting. Also, written notice of any meeting at which non-emergency special assessments or at which amendments to rules regarding Units will be proposed, discussed or approved shall be mailed or delivered to the Unit Owners and posted conspicuously on the Condominium Property no less than fourteen (14) days prior to the meeting. Evidence of compliance with his fourteen (14) day notice shall be made by an Affidavit executed by the Secretary and filed among the official records of the Association.

(c) Business transaction at all Special Meetings shall be confined to the purposes stated in the notice thereof.

Section 5. Proxies: Votes may be cast in person or by proxy in accordance with applicable law. Proxies must be filed with the Secretary of the Association prior to the meeting. If more than one (1) person owns a Condominium Unit (such as husband and wife), all must sign the proxy for it to be valid.

Section 6. Quorum: The presence in person or representation by written proxy of the members holding at least fifty (50%) percent of the total voting interest in the Association shall be requisite to and shall constitute a quorum at all meetings of the members for the transaction of business, except as otherwise provided by statute, or by these By-Laws. If, however, such quorum shall not be present, the President, or in his absence, the Vice President; or in his absence, any other appropriate officer or director may adjourn the meeting to a time within fifteen (15) days thereof at the same place to be announced at the meeting by the person adjourning same and a notice of such new meeting to be posted conspicuously upon the Condominium Property forty eight (48) continuous hours preceding the meeting. The meeting shall continue to be adjourned in this manner until a quorum shall be present or represented. Notwithstanding anything contained herein to the contrary, at such new meeting or meetings (if additional meetings are necessary in order to obtain the reduced quorum as hereinafter provided), the presence in person or representation by written proxy of the members holding at least one-third (1/3) of the voting interest of the Association shall be requisite to and shall constitute a quorum at such new meetings; it being intended that, in the event a majority quorum cannot be obtained at any meeting of the members, the quorum requirement be reduced for the purposes of the new meeting or meetings to which the original meeting is adjourned only. At such new meeting or meetings, if necessary, at which a quorum (at least one-third (1/3) of the voting interest of the Association present in person or represented by proxy) exists, any business may be transacted which might have been transacted at the meeting originally called. Although any proxy shall be valid at the original meeting and any lawful adjourned meeting or meetings thereof, the Condominium Act shall control (in the event it limits the validity of proxies as it presently does for a period no longer than ninety (90) days after the date of the first meeting for which it was given). F.S. 718.112(2)(b)(2).

Section 7. Vote Required to Transact Business: When a quorum is present at any meeting, a majority of the Unit Owners total votes present in person or represented by written proxy (subject to the restrictions below) at such meeting shall decide any question brought before the meeting, unless the question is one upon which, by express provisions of the statutes of the Declaration of Condominium or by these By-Laws, a different vote is required, in which case such express provisions shall govern and control the voting on such issue. Notwithstanding the foregoing or anything to the contrary in these Bylaws, the use of proxies shall be restricted as follows: Limited proxies must be used for votes taken to waive or reduce reserves; to waive financial statement requirements; to amend the declaration, articles or bylaws; to elect board members in the case of recall; and for any other matter for which this chapter requires or permits a vote of the unit owners. General proxies may also be used for the purpose of obtaining a quorum.

Section 8. Right to Vote and Designation of Voting Member: If a Condominium Unit is owned by one person, his right to vote shall be established by the recorded title to the Unit. If a Condominium Unit is owned by more than one person, the person entitled to cast the vote for the Unit shall be designated in a certificate, signed by all of the recorded Owners of the Unit and filed with the Secretary of the Association. If a Condominium Unit is owned by a corporation, the officer or employee thereof entitled to cast the vote of the Unit for the corporation shall be designated in a certificate for this purpose, signed by the President or Vice President, attested to by the Secretary or Assistant Secretary of the corporation and filed with the Secretary of the Association. The person designated in such certificate who is entitled to cast the vote for a Unit shall be known as the "voting member." If such a certificate is not on file with the Secretary of the Association for a Unit owned by more than one person or by a corporation, the vote of the Unit owned by more than one person or by a corporation, the vote of the Unit concerned shall not be considered in determining the requirement for a quorum, or for any purpose requiring the approval of a person entitled to cast the vote for the Unit, except if said Unit is owned by a husband and wife. Such certificates shall be valid until revoked or until superseded by a subsequent certificate, or until change in the ownership of the Unit concerned. If a Condominium Unit is owned jointly by a husband and wife, the following three (3) provisions are applicable thereto:

(a) They may, but they shall not be required to, designate a voting member.

(b) If they do not designate a voting member, and if both are present at a meeting and are unable to concur in their decision upon any subject requiring a vote, they shall lose their right to vote on that subject at that meeting. (As provided herein, the vote of a Unit is not divisible.)

(c) Where they do not designate a voting member, and only one is present at a meeting, the person present may cast the Unit vote just as though he or she owned the Unit individually and without establishing the concurrence of the absent person.

Section 9. Waiver and Consent: Whenever the vote of a member at a meeting is required or permitted by any provision of the statutes or these By-Laws to be taken in connection with any action of the Association, the meeting and vote of members may be dispensed with if the members holding a majority of the Unit Owners total votes which would have been entitled to vote upon the action, if such meeting were held, shall consent in writing to such action being taken; however, notice of such action shall be given to all members unless all members approve such action.

Section 10. Order of Business: Other than the Annual Meeting, the proposed order of business at all meetings of the Association will be:

- (a) Determination of Quorum;
- (b) Proof of Notice of Meeting or Waiver of Notice;
- (c) Reading of Minutes of Prior Meeting;

The first order of business at the Annual Meeting shall be the collection of election ballots, as required by rule 61B-23.0021(10)(a), FAC.

Section 11. Election of Board: The members of the Board of Administration shall be elected by written ballot or voting machine. Except in the case of recall, proxies shall not be used in electing the Board of Administration, either in general elections or elections to fill vacancies caused by resignation, or otherwise, unless otherwise provided in Chapter 718, Florida Statutes. Limited proxies may be used to elect or replace board members in the event of recall. Not less than 60 days before a scheduled election, the Association shall mail or deliver, whether by separate Association mailing or included in another Association mailing or delivery including regularly published newsletters, to each Unit Owner entitled to vote, a first notice of the date of the election. Any Unit Owner or other eligible person desiring to be a candidate for the board of administration must give written notice to the Association not less than 40 days before a scheduled election. Together with the written notice and agenda, the Association shall then mail or deliver a second notice of the election meeting to all Unit Owners entitled to vote therein, together with a ballot which shall list all candidates. Upon request of a candidate, the Association shall include an information sheet, no larger than 8 1/2 inches by 11 inches, which must be furnished by the candidate not less than 35 days before the election, to be included with the mailing of the ballot, with the costs of mailing and copying to be borne by the Association. However, the Association has no liability for the contents of the information sheets prepared by the candidates. The division shall by rule establish voting procedures consistent with the provisions contained herein, including rules providing for the secrecy of ballots. Elections shall be decided by a plurality of those ballots cast. There shall be no quorum requirement; however, at least 20 percent of the eligible votes must cast a ballot in order to have a valid election of members of the Board of Administration. No Unit Owner shall permit any other person to vote his ballot, and any such ballots improperly cast shall be deemed invalid. A Unit Owner who needs assistance in casting the ballot for the reasons stated in Section 101.051, Florida Statutes, may obtain assistance in casting the ballot. Any Unit Owner violating this provision may be fined by the Association in accordance with Section 718.303, Florida Statutes. The regular election shall occur on the date of the annual meeting. Notwithstanding the provisions of this paragraph, an election and balloting are not required unless more candidates file notices of intent to run or are nominated than vacancies exist on the board.

Section 12. Unit Owner Participation: Unit Owners shall have the right to participate in meetings of Unit Owners with reference to all designated agenda items. However, the Association may adopt reasonable rules governing the frequency, duration and manner of Unit Owner participation. Any Unit Owner may tape record or videotape a meeting of the Unit Owners, subject to rules adopted by the Division.
